PARENTSQUARE

Our District uses ParentSquare for District and school-level communications.

ParentSquare is designed to keep families informed and make communication easy. It provides a safe method for principals, teachers, staff, and parents/guardians to communicate and share information through email, text, and phone. Visit our [website](#) for more information.

PARENTVUE

ParentVue is a tool to help families stay informed about their student's progress (attendance, grades, etc.). Visit our [website](#) for more information or contact AOMS with questions!
